Website Add-On Options

Item	Description	Price
Extra Graphic Design Time	When your website needs that extra special touch, we can take the extra time needed to add even more "jazz" to your online presence.	\$85.00 Per Hour
Additional Pages	The sky's the limit! Give your browsers more to read.	\$125 Per Page
Basic Form	Includes user's name, email address, subject, and message block.	\$50 Per Page
Intermediate Form	Custom-built form with 4-12 entries	\$150 Per Page
Complex Form	Custom-built form with 13-24 entries	\$300 Per Page
CAPTCHA Security	Help keep spammers at bay! Users simply enter a special code to submit their form.	\$50 Per Page
Lightbox Photo Display	Organize your staff photos, or other photo galleries by showing each photo on an overlay when clicked.	\$50 Per Page
Scrolling Photo Gallery	Move a basic gallery across the screen — it's a great way to showcase your products!	\$150 (10 images)
SEO (Search Engine Optimization): Page Description	We'll custom-craft a description that will tell search engines exactly what they're looking for.	\$50 Per Page
SEO: Advanced Optimization & Copywriting	Add extra SEO techniques, including adding custom Meta tags, and SEO-rich copy written that's designed to get your site to the top of the search engines.	\$450 Per Page
Basic Copywriting	Don't have quite the words to tell your own story? No problem! Let our wordsmiths write your copy. Our experienced writers will custom-craft your information so that your visitors will have compelling reasons to use your services over any of your competitors	\$250 Per Page
Stock Photography	Look through our online catalog for just the right photos for your website. Chances are, you'll find something will fit you like a glove!	Starting at \$15 Per Image
Custom Photography	Why settle for boring stock photos when you can have our sharp-eyed photographers document your business or organization?	\$150 for a 2-hour Shoot
Google Analytics Setup	Don't settle for mere "hit counters," find out more about your visitors than you ever thought possible! We'll set up your account so that you can access your site's traffic data directly.	\$35 Per Site
Secured Socket Licence (SSL)	Secure your forms and tell your browsers that you aren't an imposter!	\$125 Per Year
Monthly Website Maintenance	Website maintenance fees include hosting, and are priced according to the expected average time needed for changes. Ask your Media Consultant for further details.	Starting at \$50 Per Month
Dynamic PHP, PERL or Javascript Programming	We'll custom build applications for your website as needed. A site becomes "dynamic" when a database system is needed, allowing the end user to control their web experience.	\$95/Hour, with a 15-hour Minimum
WordPress Integration & customization	WordPress is a full-featured blog and content management system. We'll help you maximize its potential for your website, by integrating this incredibly robust system into your site. Perfect for those who want to maintain their own site. Deluxe hosting required.	Starting at \$1099.00
Domain Registration (.COM)	Have your own DOT COM - Reserve your domain today!	\$14.95 Per Year
Domain Registration (.ORG)	Perfect for non-profit groups or churches.	\$24.95 Per Year
Email Setup	We'll set up your email for you - save yourself the time and hassle!	\$15 Per Address
Training	If you're not familiar with the administrative aspects of your site, our certified technical trainers are ready to help you master your own web domain.	\$200 Per 2-hour block
